WORK EXPERIENCE

Rapid Reviews\Infectious Diseases (RR\ID)   **Jan. 2024 – Present**
Lead Technical Product Manager   *Berkeley, CA*
- Manage the operational database for RR\ID, an open-access overlay journal accelerating peer review for urgent infectious disease preprints. https://rrid.mitpress.mit.edu/
- Spearheaded the technical operations and product roadmap for RR\ID, scaling the global editorial network 8x to 1,500+ members (12+ countries) and driving the publication of 320+ peer reviews.
- Directed a diverse project portfolio (website development, AI integrations, data infrastructure) by personally mentoring over 30 students across 2 years, developing project specs, training materials (Github/Notion), and professional communication guidelines.

Eviction Research Network   **Aug. 2025 – Present**
Data Analyst   *Berkeley, CA*
- Contributing to the development of a data pipeline and visualizations that expose eviction dynamics and directly support ongoing policy advocacy. https://evictionresearch.net/

American Civil Liberties Union (ACLU) National Office   **Jun. 2025 – Aug. 2025**
Product Management Intern   *New York City, NY*
- Accelerated issue resolution for a national migration project by triaging and documenting affiliate support tickets in GitHub, ensuring clear handoff and context for the development team.
- Designed and launched Heap analytics dashboards aligned with fiscal-year KPIs, delivering key insights on affiliate product adoption and migration progress.
- Developed a centralized training hub by consolidating feedback from national and affiliate stakeholders, streamlining the user onboarding process and support.

Teach in Prison   **Jan. 2024 – May 2025**
Literacy Tutor for Incarcerated Adults   *San Quentin, CA*
- Supported ESL residents in San Quentin State Prison towards the path to obtaining GED certification.

UCLA Facilities Commission   **Jun. 2022 – Apr. 2023**
Sustainability Co-Director   *Los Angeles, CA*
- Launched a reusable dining ware pilot at UCLA, leading design, implementation, and a 3-way agreement with the Undergraduate Students Association. Deployed sustainability section in UCLA Mobile App.

EDUCATION

UC Berkeley   **Aug. 2023 - Dec. 2025**
BA, 4th Year Double Major in Data Science and Applied Mathematics   *Berkeley, CA*
- GPA: 3.86; Dean's List College of L&S; Dean's List College of Computing and Data Science

UC Los Angeles   **Sept. 2021 - Apr. 2023**
Transferred from UCLA to join Berkeley's top-ranked Data Science program.   *Los Angeles, CA*
